Pali-CERTO

Security Level: **High**

Pali-CERTO System Heights

System Reference	Fence Height
PALC18	1.8m
PALC21	2.1m
PALC24	2.4m
PALC30	3m
PALC36	3.6m

Pales, Rails, Posts and Mesh

The system can be raked to follow the site's contours. The horizontal rails fix to the posts and can follow gradients without on-site modification, while maintaining the system's rigidity and security.

Aesthetically pleasing, easy to install, robust and at a price to suit almost any budget.

System Finish

The Pali-CERTO steel palisade is hot-dip galvanised to BS EN ISO 1461 or BS EN 10240. Optional powder coating is available in green (RAL 6005) or black (RAL 9005) in accordance with BS 1722-16:2009.

We can PPC to the colour to your choice.

Fastline inspects products at several stages to check conformity with the specified standards and support the product guarantee.

We are ISO 9001 certified and are subject to regular audits (BSI, BSE/CE, BRE) to ensure continual compliance.

BSI722-16: 2009

10 YEAR GUARANTEE
