- ✓ Sports stadia

Fastmesh-868-Fluid™ Twin Wire System (Clamp Bar)

Fastmesh-868-Fluid™ is the ultimate in versatility; offering an affordable and robust system which is pleasing to the eye and easy to install. The system combines 2 horizontal 8mm wires around a single 6mm vertical weire in a flat panel (panel width is 2508mm) configuration and fixed with our Fastmesh security U-clip, galvanised steel 40x5mm clamp bar (slotted) and anti-tamper bolt into factory fitted threaded post insert. This is a hugely specified system and lends its use to multiple low to medium security requirements.

| 1.830m | 60x60x2mm | 2.515m | 8/6mm | 50x200mm | Clamp bar |
| 2.030m | 60x60x2mm | 2.515m | 8/6mm | 50x200mm | Clamp bar |
| 2.430m | 60x60x2mm | 2.515m | 8/6mm | 50x200mm | Clamp bar |

Panel, Post, Clamp Bars:

The Fastmesh-868-Fluid™ system allows for “stepping” to follow the topography of the site without any compromise in security and with no time consuming/ costly modification requirements on site. The security steel U-clip and clamp bar fixing system is both robust and incredibly easy/fast to install. Our custom Fastmesh anti-tamper fixings ensure that even the most difficult of site conditions will not hamper the appearance or performance of the system.

Aesthetically pleasing, easy to install, robust and at a price to suit almost any budget.

System Finish:

Our Fastmesh-868-Fluid™ panels are manufactured to BS 4102:1998 and pregalvanised with a zinc coat weight to conform BS EN 10244-2:2009 class D prior to polyester powder coating. Fastmesh posts are manufactured in house to ensure conformity, when requested to BS EN 10305:2016 and are galvanised to BS EN 10346:2015. Panels, posts & clamp bars are polyester powder coated to BS EN 13438:2013.

All items undergo rigorous multi-stage inspections to ensure conformity to the above standards and contribute to our 10 year product guarantee.

This product can be provided to conform to the above standard please state this at the point of enquiry and our team will be more than happy to advise to ensure full compliance to any specification.

See separate Terms & Conditions for F10™ Guarantee compliance.
