Full range of related products available

Applications Include

- ✓ Schools/ educational institutions
- ✓ Parks & public boundaries
- ✓ Residential application - see details overleaf
- ✓ Business/ industrial parks
- ✓ Sports stadia

Profiled Mesh Perimeter System

Fastmesh-3D™ is the ultimate in versatility; offering an affordable and robust system which is pleasing to the eye and easy to install. The system combines vertical and horizontal wires in a profiled panel configuration and is fixed with our Fastmesh security clip and anti-tamper bolt into factory fitted threaded post insert. The panel width is 3008mm which allows for a saving on installation times. This is a hugely specified system and lends its use to multiple low to medium security requirements.

Fastmesh-3D™

The ultimate system for speed of erection/cost/security

Fastmesh-3D™ Specification/ details 3008mmW panel

Panel Height	Post Section	Post Centres	Mesh Pattern	No. of V Bars	Fixing Method

1.530m	60x60mm	3.015m	50 x 200mm	3	Clip
1.730m	60x60mm	3.015m	50 x 200mm	3	Clip
1.930m	60x60mm	3.015m	50 x 200mm	3	Clip
2.030m	60x60mm	3.015m	50 x 200mm	4	Clip
2.330m	60x60mm	3.015m	50 x 200mm	3*	Clip
2.430m	60x60mm	3.015m	50 x 200mm	4	Clip

Panel, Post, Clamp Bars:

The Fastmesh-3D™ system allows for “stepping” to follow the topography of the site without any compromise in security and with no time consuming/ costly modification requirements on site. The security steel clip fixing system is both robust and incredibly easy/fast to install.

Our custom Fastmesh anti-tamper fixings ensure that even the most difficult of site conditions will not hamper the appearance or performance of the system.

Aesthetically pleasing, easy to install, robust and at a price to suit almost any budget.

System Finish:

Our Fastmesh-3D™ panels are manufactured to BS 4102:1998 and pre-galvanised with a zinc coat weight to conform BS EN 10244-2:2009 class D prior to polyester powder coating.

Fastmesh posts are manufactured in house to ensure conformity, when requested to BS EN 10305:2016 and are galvanised to BS EN 10346:2015. Panels, posts & clamp bars are polyester powder coated to BS EN 13438:2013.

All items undergo rigorous multi-stage inspections to ensure conformity to the above standards and contribute to our 10 year product guarantee.

This product can be provided to conform to the above standard please state this at the point of enquiry and our team will be more than happy to advise to ensure full compliance to any specification.

See separate Terms & Conditions for F10™ Guarantee compliance.
